

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

WENDY MAGUIRE,

Plaintiff,

v.

ECO SCIENCE SOLUTIONS, INC., *et al.*,

Defendants.

NO. C18-1301RSL

AMENDED ORDER DENYING
MOTION FOR EXTENSION OF
TIME

Defendant Michael Rountree seeks to extend the time in which he has to respond to a pending motion, but he filed his request the day after his motion was due. *See* LCR 7(d)(3). Good cause has not been shown for the extension, nor has defendant justified the delay in requesting relief from the deadline.

The Court would like defendant's input on the bond issue, however. The Clerk of Court is therefore directed to renote the underlying motion for appeal bond (Dkt. # 114) on the Court's calendar for Friday, January 22, 2021. Defendant's response, if any, is due on or before 10:00 am on Tuesday, January 19, 2021.

Dated this 14th day of January, 2021.

Robert S. Lasnik
United States District Judge
